

# Firefoxx

Bred especially for distilling with early maturity

**102%**

UK Yield  
2025 AHDB RL

**7**

Net Blotch  
2025 AHDB RL

## Key Characteristics

- Early maturity, meaning it can be harvested before any other spring barley
- Suitable across all regions of the UK and performs on light and heavy soils
- Low grain skinning

## Recommended for

- Feed
- Distilling
