

SU Erling

A short, stiff variety suited to wholecropping situations.

110

Fresh weight yield (% controls)
(Elsoms/SUUK Trials)

103

Grain yield (% controls)
AHDB Winter Rye DL 2026-27

134

Straw length (cm)
AHDB Winter Rye DL 2026-27

Key Characteristics

- Suited to all end markets, grain, forage & biogas
- Stiff strawed
- Outstanding spring vigour
- SU Erling has exhibited high N use efficiency

Recommended for

- ☒ Biogas
- ☒ Silage
- ☒ Grain
